Caroline Quijada

For the summer 2019 All-Star I conference, the Financial Aid Committee received and reviewed eight applications for financial aid to attend the All-Star I conference. Applications were received from two individuals and from six families. Of the eight applications received, all requests were funded. The Financial Aid Committee awarded \$7,066 of the \$12,000 of allotted Financial Aid funds to the applicants.

The committee would like to thank Ali Walton (2019 Registrar) for her speedy delivery of the received applications, and for her communications with all applicants and committee members. She was extremely thorough, very timely, and was darn delightful!

The Financial Aid Committee would also like to recognize and send a big THANK-YOU to Caroline Quijada for her many years as the committee's convener, and for training Jenny Easter Nelson in such a thorough manner to become the new Grand Poobah/Convener of the Financial Aid Committee. The committee is also looking forward to working with our new member, Angel Russek this upcoming spring.

Respectfully submitted,

Jenny Easter Nelson

Financial Aid Committee Convener
