

All Star I - 2022

Registrar's Report, Susan O'Loughlin

Registration for the 2022 All Star I Conference opened on January 1, 2022. As part of their COVID-19 safety protocols, Star Island Corporation limited weekly attendance to 260 conferees.

There were 300 total registrations for the 2022 Conference (265 full week registrations and 35 COGs). We had 50 cancellations and 250 people attended All Star I (218 full week and 32 COGs).

In 2022, registered conferee ages ranged from under 1 to 90 years. The percent of children 17 and under was lower than our 10-year average. The percent of conferees 18-39 years old was higher than our average (the increase attributable to single, young adult conferees), and the 40-59 and 60+ age groups were consistent with prior years.

Registration Demographics by Group Total and Percent of Conferee Total.

	2012	2013	2014	2015	2016	2017	2018	2019	2020	2021	2022
17 and under	92 (34%)	93 (32%)	83 (27%)	92 (29%)	89 (29%)	94 (30%)	80 (25%)	88 (26%)	67 (21%)	28 (17%)	64 (21%)
18 to 39	17 (6%)	31 (11%)	47 (15%)	35 (11%)	49 (16%)	44 (14%)	48 (15%)	46 (14%)	52 (18%)	40 (24%)	68 (23%)

Total	272	290	307	313	311	318	320	334	294	166	300

This year there were 22 conferees who were new to both All Star I and Star Island.

There were many last-minute changes this year: late applications, people who were on-island and extended their stays, as well as early departures. Again this year, our low numbers allowed us the flexibility to accommodate all last-minute requests.

Susan O'Loughlin, Registrar 2022
